### ENTERTAINING AND INSTRUCTING WITH STORIES.

A girl living in a neighborhood where there were many children discovered that her chief accomplishment consisted in telling stories. She called on the mothers of these little friends with the result that a story-hour was organized, in which she both entertained and instructed ten to fifteen children each week with a carefully selected series of stories—myths, historical facts, and simplified tales from our oldest and best writers. Each child was charged the modest sum of ten cents an hour, which netted the story-teller a pleasant little sum, and returned the mothers a sense of safety and satisfaction for the expenditure.—The Circle.

### TWO HUNDRED RECIPES FOR ENTERPRISING HOUSE-KEEPERS.

Every woman who prides herself upon the variety and tastiness of her "table" will be interested in the new book of recipes by Helen Louise Johnson.

The important point about Miss Johnson's recipe book, which is called the "Enterprising Housekeeper," is that it contains over two hundred tested recipes calling for the use of meats, fowl and other things left over from previous meals. This book will be sent free to any woman sending her name and address to The Enterprise Mfg. Company of Pa., 252 Dauphin Street, Philadelphia.

The primary reason for distributing the cook book "Enterprising Housekeeper" is to demonstrate the possibilities of the "Enterprise" Meat and Food Chopper in the preparation of deliciously appetizing dishes that contribute both to the pleasure of the table and to economy in household maintenance.

The "Enterprise" is the only true Meat and Food Chopper that actually cuts meat so that each minute piece retains its goodness and flavor. The "Enterprise" cuts by means of a four bladed steel knife and perforated steel cutting plate that does the work thoroughly.

With the "Enterprise" Chopper and the "Enterprising Housekeeper" the housewife is ready for guests expected or unexpected, knowing that her table will be a credit to her ability as a versatile cook and housekeeper.
